NOS INTERESA TU OPINION

Queremos darte el mejor servicio, por eso necesitamos tus comentarios, sugerencias y opiniones.

Catar **Rioja Alavesa** es dejarse imbuir los sentidos de nuevas sensaciones. Brillante de color intenso y variable según la luz que le ilumine, en olfato se aprecian aromas a tierra, a flores y a fruta fresca sin olvidar su tostado olor a tradición. Al paladar resulta cálido, aterciopelado y equilibrado; dejándonos un fin de boca que se prolonga en el recuerdo hasta que logras volver.
